Once up the stairs, either take a seat in the chairs immediately in front of you or at the tables near the Kingfisher Room or, if not sure, look left to the 'Help Point', go to speak to the person at the 'Help Point' desk who will indicate where to wait. The therapist will collect you for the time of the appointment.

To the right of the toilet is the lift, the lift door will close automatically (but very slowly) once in the lift. On floor 1 the doors will open right by the help point, proceed as above.
